

Pediatric Multispecialty Conference Series

Hot Topics in Pediatric Pulmonology: Diagnostics, Sleep Apnea and Travel Medicine

- SPEAKER** Kunjana Mavunda, M.D., MPH, DTM & H
Pediatric Pulmonologist
Baptist, South Miami and Homestead Hospitals
- TARGET AUDIENCE** Pediatricians, Pediatric Endocrinologists, Family Practitioners, Psychiatrists, Psychologists, Hospitalists, Pharmacists, Nurses and Respiratory Therapists.
- OBJECTIVES** Upon completion of this conference, participants should be better able to:
- Recognize the indications for and implement pediatric diagnostic and monitoring procedures including pulmonary function testing and polysomnograms.
 - Utilize a sleep assessment questionnaire regularly in order to identify pediatric sleep disorders.
 - Examine causes and effects of the recent United States mumps outbreak, and implement diagnostic and treatment strategies.
 - Explain the epidemiology of dengue fever both worldwide and in Key West, and effectively administer prophylaxis and treatment approaches for malaria.
 - Discuss factors affecting the recent increase in travel-related illnesses.
 - Implement diagnostic testing strategies, such as rapid testing and cultures, to identify infectious and tropical diseases.
 - Integrate prevention techniques in clinical practice to address vector-borne diseases in pediatric patients visiting friends and relatives, study-abroad students and children who go to camps in their native countries.
- DATE** Tuesday, April 13, 2010
- TIME** 5:30 - 6 p.m. - Registration and Dinner
6 - 7 p.m. - Lecture
- LOCATION** Baptist Hospital, Auditorium
- CONFERENCE DIRECTOR** Ernesto Valdes, M.D.
- REGISTRATION** Please register online at baptisthealth.net/cme or call 786-596-2544.
